Delegate #LIKETHEBOSS Andy Woodall and Mollie Graf Re:Group Fall 2019 - Breakout

Six questions to help us get to the heart of the matter when it comes to group participation.

1. What specifically did Jesus share with the twelve disciples?

2. What were legit reasons why Jesus could have chosen not to have shared these things (from #1) with the twelve disciples?

- 3. Why did Jesus share all that He did with the eleven/twelve disciples?
 - IJn.3:1
 - Matthew 28:19-20
 - Eph.2:10
 - 2 Cor.5:17-21

- 4. What keeps YOU from sharing participation with group members? (Be specific)
- 5. What does this potentially expose about who or what you are worshipping?
 - Ezekiel 14:1-6
 - I John 5:21
- 6. What needs to change IN you so you can share participation to the glory of God?
 - What do you need to <u>repent of</u> today?
 - What needs to be resurrected in its place?
