Hi Jon,

Thanks for being willing to facilitate discussion in our group this week.

Here is a link to our Group Leader page where you can access this weeks questions: <https://www.northridgeleaders.com/questions/>

As you can see, there are sometimes more questions than we actually get to discuss. You can pick and choose whatever ones you want to discuss. I would encourage you to allow enough time to focus on at least two of the application questions at the end.

As a tentative schedule, lets aim for something like this:

- 7:00 Ice Breaker (An ice breaker is included with the discussion questions)
- 7:15 Sermon Discussion Questions
- 7:45 Finish Discussion and split for prayer groups

Here is a Facilitation Guide that should share with you everything you need to know about leading discussion: <http://bit.ly/GroupFacilitationGuide>

Let me know if you have any questions. I'll print out copies of the questions.

Thanks for leading this week!

Jason
