

PLEASE READ BEFORE LEADING DISCUSSION

- Recommended questions are highlighted in bold, but select 5 or 6 questions you think will work best for your group discussion. You likely won't have time to discuss all of the questions so choose which questions you will ask ahead of time and make sure to provide plenty of time to focus on the application questions.
- Feel free to edit or reword questions to best fit your group.
- You may want to print out copies of this document for everyone so they can follow along with the questions as you read them.
- Check out this Facilitation Guide (<http://bit.ly/CGFacilitationGuide>) for tips on leading good discussions.
